**The Islamic Guideline:**

The Islamic Guideline, being the ultimate policy of the association, comprises all the following sources, starting in order from the highest to the subordinate in importance:

- The Holy Quran.
- The authentic exemplary teachings and traditions of prophet Muhammad (PBUH).
- The guidance of all the prophet's companions, especially his first four successors (caliphs) who followed the straight path left for us by the beloved prophet.
- The consensus of the scholars and imams of the Muslim community without absolutely following any of them, and we dismiss those who contradict them, deviate from them or belittle their value.
